This matter comes before the Public Service Commission of South Carolina (the Commission) on the Staff request for a Rule to Show Cause as to why Mr. A. E. Yarborough should not be declared to be running a public water and a public sewer utility. The Commission has been contacted by Mr. Ray Bowers, who complained that Yarborough is running both a water and a sewer utility. The Commission believes that these allegations are credible enough to cause this Commission to issue its Rule to Show Cause to Mr. Yarborough accordingly.

IT IS THEREFORE ORDERED THAT:

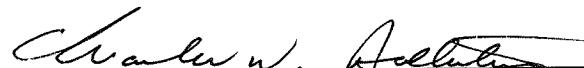

1. A. E. Yarborough shall appear before this Commission at such time as may be designated by the Commission Staff to show cause as to why he should not be declared to be running a public water and a public sewer utility, and, therefore, be under the jurisdiction of this Commission.

IT IS SO ORDERED.
